Dear Ryu parents,

Welcome to Ryu class at Nakayoshi Gakko! My name is Tiara Wirkkala, and I teach the Ryu class. I look forward to working with your child this summer as we have fun exploring Japanese culture and history.

In Ryu class, we will explore the many aspects of the samurai spirit. In addition to the many projects we'll work on together in class, students will visit the San Francisco Asian Art Museum, participate in Taiko, study Japanese language, and of course, take Japanese cooking lessons. It should be a fun and memorable experience!

Please have students bring the following supplies to class:

- Pens, pencils, eraser
- Colored pencils
- Markers
- Crayons
- Glue stick
- Scissors

Thank you for helping us prepare for our classroom projects. If you have any questions, please feel free to e-mail me at tiararenae@gmail.com. Dozo yoroshiku onegai shimasu.

Looking forward to meeting you soon,

Tiara Wirkkala
