

Dear Nakayoshi Students and Parents,

Welcome! My name is Satomi Fujikawa, and I am looking forward to teaching the Kirin class this summer! It will be an exciting two weeks learning about many aspects of Japanese and Japanese-American culture, including relocation and internment camps during WWII, showing respect to ancestors, Obon, and much more.

Please read through the following information before the first day of class. It will give you a chance to collect all of the items your child will need for the program.

- Picture of your Japanese family Mon (Crest) if available
- Photocopy of an ancestor if available.
- Supplies – Please have your child bring the following supplies in a pencil box or bag. They will stay in the class for the whole session.
  - pencils and erasers
  - handheld pencil sharpener
  - scissors
  - ruler
  - bottle of white glue (medium size is fine)
  - glue stick
  - permanent markers (an assortment or colors)
  - markers or color pencils
  - small or medium sized shoebox with lid

Thank you for your help collecting the items and for all the hours of volunteering. I know we'll have a fun and memorable summer together! Feel free to contact me with any questions or concerns via email at [smfujikawa@gmail.com](mailto:smfujikawa@gmail.com)!

Sincerely,  
Fujikawa Sensei
