Dear Nakayoshi Gakko Parents,

Welcome to Nakayoshi Gakko! This is my fourth year teaching the Saru class and I am looking forward to meeting and working with your child this summer. We have two weeks full of fun activities planned where your child will learn about the unique aspects of the Japanese culture.

Please read through the following information before the first day of class on Monday, June 20th, 2011. It will give you a chance to collect the items that your child will need for the program.

Family Mon- Please bring a copy of your family mon on the very first day if you have not already given a copy of your mon to Dana Nakagawa by today (May 3). It would be very helpful if your mon is blown up and printed on an 8 ½ x 11 sheet of paper. Please make sure your child's name is on the mon. An enlarged copy of the mon would make it easier for volunteers to create a stencil of your mon. Please don't forget to bring in a copy of the mon as soon as possible. Thank you for your help.

Supplies- Please have your child bring the following items in a box or container that is labeled with your child's name. The container will stay in the classroom for the duration of the program.

An old shirt or paint smock – very important

Pencils and erasers

Scissors (child size)

Bottle of wet glue (small size)

1 Gluestick

Crayons or color pencils

*Feel free to reuse left over supplies from the school year

Thank you for your help in collecting the items. I am looking forward to meeting your child on June 20th. Thank you for volunteering and helping to prepare projects for the program! Your help is greatly appreciated. I know we will make many great memories this summer. If you have any questions, please feel free to contact me or any board member.

Sincerely,
Doris Lau Beyers Sensei
