

May 3, 2011

Dear Parents,

Welcome to this year's Tora class! I am very excited to meet your kids and get started on our projects. Aside from all our daily activities, our class has two big events. First of all, our class will take a field trip to Hakone Gardens. Also, our grade is responsible for presenting a play at Open House. I haven't chosen a story yet, but you may receive some requests to lend our class some props and costumes.

As for our smaller projects, here's a list of supplies to provide for your son/daughter.

1. Writing Utensils (Pencils, Pens, Eraser)
2. Colored Markers
3. Scissors
4. Craft glue
5. Something to keep these items in

On Day One, we will be working with clay, so an old shirt might be a good idea. I think that about covers it. If you have any questions or concerns, please contact me using the information below. I'm looking forward a great session working with both you and your children.

Sincerely,
Brian Tamekuni
